STUDENT REGISTRATION

THE ULTIMATE FIELD TRIP!!

Awesome! You are signing up to represent Monta Vista Student Body in the Thursday, **January 31, 2019** Challenge Day Program. There will be approximately 100 MVHS students, 25 Teen Leaders, and about 30 staff/adults in attendance. Challenge Day is a transformational day of fun, leadership and power that can change the way people view one another forever.

The goal of Challenge Day is to help stop the teasing, alienation and lack of empathy that is so deeply a part of the school experience for millions of young people every day. Through a variety of games, trust-building activities and presentations, you will be given a unique opportunity to see yourself and the people around you through a new set of eyes.

Since 1987, the nationwide Challenge Day programs have helped to transform the lives of hundreds of thousands of teenagers just like you. Challenge Day has not only received numerous awards, but has also been featured in the best-selling book, *Chicken Soup for the Teenage Soul* and the Emmy Award-winning documentary, *Teen Files: Surviving High School*. As a young leader from your community, you can be part of this positive change!
